Matched Custom Formats

Legend for All Custom Format Matches

Group Example: ...	One of the Format Tags of Type Example has matched the release. For an overview of all Format Tag Types see the wiki.
Group Example: ...	None of the Format Tags of Type Example has matched the release. Because a group failed to match, the release will not be considered this format.
S_BLURAY	The Format Tag matches the release. Ergo the whole group matches the release.
S_BLURAY	The Format Tag does not match the release.
L_RQ_ENGLISH	The Format Tag is required and does not match the release. Ergo the release will not be considered this format.
